Title: "Reduction in Biological Oxygen Demand Levels in Waste Water Effluents"
Our Docket No. 32-02 US

Dear Ms. Vigil

This is further to a conversation you had on July 13, 2005 with Marilyn Morris regarding the above referenced Patent Application. We received a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office dated July 7, 2005, a copy of which is enclosed. The Declaration and Power of Attorney requested in the Notice was filed via facsimile with the U.S. Receiving Office of the PCT on June 9, 2005. Per your request, attached are the documents filed on June 9, 2005, including the confirmation of transmission. You noted in your conversation of today that the \$65 fee has already been charged to our deposit account, No. 07-1969.

Please let us know if this transmission will meet the requirements of the Notice or if it is necessary for us to take additional action regarding this matter.

Please do not hesitate to contact me if you have questions and thank you for your assistance.

Respectfully submitted,

Donna M. Ferber, Ph.D.
